#### LIVING IN FAITH EVERYDAY

LIVING IN F. The Heart Matters

The American Heart Association's signature women's initiative, Go Red for Women, is a comprehensive platform designed to increase women's heart health awareness and serve as a catalyst for change to improve the lives of women globally.

It's about all women making a commitment to stand together with Go Red and taking charge of their own heart health as well as the health of those they can't bear to live without. Making a commitment to your health isn't something you have to do alone either, so grab a friend or a family member and Go Red.

Cardiovascular disease is the No. 1 killer of women, causing 1 in 3 deaths each year, but the simple truth is that most cardiovascular diseases can still be prevented with education and healthy lifestyle changes.

"Go Red for Women." Www.goredforwomen.org, 2023, https://www.goredforwomen.org/en/.

### What can be done to improve heart health?

- 1. Get your blood pressure checked each year.
- 2. Understand the risk factors.
- 3. Know your family history.
- 4. Chronic stress plays a role.
- 5. Be aware of the warning signs of heart disease.
- 6. Adopt healthy habits.

## What Is Lent All About, and Why Is It Important?

#### I. Ash Wednesday

- A. What is Ash Wednesday? It's a reminder that we came from ashes or dust, and that God loved us so much that God gave His only son to save us.
  - 1. This ash and dust are precious to God. So precious that God sacrificed the best that God had for us. Draw closer in relationship to God through Jesus Christ.
    - a. It's the first day of 40 days leading to Easter, not counting Sundays
- **II.** Many make Lent a time when we sacrifice or give up something.
  - A. Why do we sacrifice during Lent?
    - 1. Many do it for the wrong reason. We should make the sacrifice because it reminds us of what God through Jesus Christ gave up for us and because it's necessary in order for us to accept the call of Christ to follow Him.

#### Matthew 16:21-25

21From that time Jesus began to show his disciples that he had to go to Jerusalem and suffer many things from the elders, chief priests, and legal experts, and that he had to be killed and raised on the third day. 22Then Peter took hold of Jesus and, scolding him, began to correct him: "God forbid, Lord! This won't happen to you." 23But he turned to Peter and said, "Get behind me, Satan. You are a stone that could make me stumble, for you are not thinking God's thoughts but human thoughts."

24Then Jesus said to his disciples, "All who want to come after me must say no to themselves, take up their cross, and follow me. 25All who want to save their lives will lose them. But all who lose their lives because of me will find them.

- B. This is what Jesus was teaching His disciples in the text. If anybody wants to follow Jesus, they must deny themselves, take up their cross, and follow Him.
- A great flaw or deficiency exists in the Christian Church today. It is a fatal defect. The flaw is a lack of true discipleship.
   A. Genuine Christian Discipleship means forsaking everything to follow Christ. While there is much done in His
  - name, there is very little in following Christ.
  - B. This is because so few are willing to deny themselves, bear our cross, or follow Him.
    - 1. Do we want victory? YES Do we want denial? NO
    - 2. Do we want prosperity? YES Do we want to sacrifice? NO
    - 3. Do we want convenience? YES Do we want inconvenience? NO
    - 4. Do we want the crown? YES Do we want the cross? NO
    - 5. Do we want to follow Christ? We say we do.
    - 6. Are we following Christ? We say we are.
- **IV.** If we are, then we are:
  - A. Denying ourselves
    - 1. When we think about what it means to deny ourselves, we are brought to the radical distinction between a God-oriented life and a life of unrepentant self-seeking.
    - 2. Self-seeking is the opposite of self-denial. It has been the essence of sin from the beginning of creation.
      - a. Satan: I want my way. I will displace God. God's reply was that Satan would be brought low. Isa 14:12-15
      - b. Christ: I will go down in self-denial. Those whom I love will be raised from sin to glory. In response, God exalted Him.
      - c. Crucifying the flesh versus selfish desires that oppose the will of God.
    - B. Take up our cross
      - 1. Many consider physical sickness, ailments, failed marriages, debt, and other troubles as crosses; these are burdens, not crosses.
      - 2. Jesus refers to crosses in Matthew's 25th chapter as forgiving, studying the Word, praying, reaching out to the sick and the shut-in, etc.
      - 3. Taking up our cross is a matter of the will. Where we must first deny ourselves so that our will is conformed to the will of God.
      - 4. It involves saying, Yes, to something difficult for Jesus' sake, i.e., sacrificing our time, talent, money, and lives.
      - 5. Witnessing the goodness of Jesus for the sake of others.
    - C. Follow Jesus path to be followed to the end, a lifetime journey
      - 1. God's Word: "lamp unto our feet, light on our path" (Psalm 119:105)
      - 2. God's Will: discovered through the study of God's Word, prayer, and the leading of the Holy Spirit.

### National Cabbage Day

National Cabbage Day is Friday, February 17, 2023. Cabbage might change the way estrogen is used in the body, which might reduce the risk of breast cancer. Cabbage might also reduce swelling and help with wound healing. Overall, it isn't well understood how the chemicals in cabbage might work as medicine to a woman's body.

One way to observe National Cabbage Day is to make some delicious soup or vegetable wraps.

### **Easy Cabbage Soup**

- 2 tablespoons butter or olive oil
