A TIME TO BE THANKFUL

ZOOM MEETING ID:

CONFERENCE NUMBER:

My prayer for this season is that we will utter "Teach me to be grateful" this Thanksgiving. For almost 2 years, our nation has been in a state of unrest, due to the unknowns associated with the Coronavirus. Over 600,000 lives have been lost to this virus. It has indeed, caused us all to think more deeply about what is important. This year, as we all are learning how to be thankful in the midst of all of our grief, let us give our self grace to feel while focusing on what we are grateful for along the way. Gratefulness will move us toward harvesting the fortitude we'll need to get through this season and guarantee a happy Thanksgiving Day this year and for years to come.

FOR THOSE WHO ARE

OF GOD. ROMANS 8:14

God orders our footsteps and is setting up divine appointments. All we need to do is follow God's lead, exercise a little patience, and take it one step at a time. What if you made a decision to exit the freeway, take the scenic route, and enjoy the journey more often?

This month we recognize the hundreds of thousands of children waiting for permanent families. Please spread awareness of adoption and advocate for the wellbeing and future of children in foster care. There is an opportunity for you to get involved. Call Virginia One Child One Church for more information. 804-329-3420

Advent 2021

November 28 begins our 2021 Season of Advent. Advent is the season of the year leading up to Christmas. The word advent itself means “arrival” or “an appearing or coming into place.”

Christians often speak of Christ’s “first advent” and “second advent”; that is, His first and second comings to earth. The Advent season lasts for four Sundays. It begins on the fourth Sunday before Christmas, or the nearest Sunday to November 30. Advent ends on Christmas Eve and thus is not considered part of the Christmas season. The Advent celebration is both a commemoration of Christ’s first coming and an anticipation of His second coming.

We will celebrate the awesome work of our youth in this section. We are so grateful for all of our young people and how they show up in the world. Not only have they blessed us through dance but each week they gather in Prayer on the conference line at 8PM to have a focus time of talking to God about their LIFE issues and joys.
